

27.11.2020

Prof. Matthias Beller again vice president and member of the board of the Leibniz Association

At yesterday's Leibniz Annual Conference on 26.11.2020, Prof. Dr. Matthias Beller was re-elected to the Board and as Vice-President of the Leibniz Association.

Prof. Dr. Matthias Beller

The President and the four Vice-Presidents form the Executive Board of the Leibniz Association. In addition to Prof. Dr. Matthias Beller and the President Prof. Dr.-Ing. Matthias Kleiner, the members of the Board are currently Prof. Dr. Katrin Böhning-Gaese (Senckenberg Society for Natural Research (SGN), Frankfurt am Main) and Prof. Dr. Sebastian Lentz (Leibniz Institute for Regional Geography (IfL), Leipzig).

Since yesterday Stephan Junker, managing director of the Museum für Naturkunde Berlin - Leibniz Institute for Evolution and Biodiversity Research, completes the five-member board of directors.
