Angelika Brückner on Advisory Board of Karl-Ziegler-Foundation

Prof. Angelika Brückner, LIKAT board member and head of the department "Catalytic in situ studies", was appointed by the GDCh to the advisory board of the Karl-Ziegler-Foundation.

Prof. Dr. Angelika Brückner

Her term of office begins on January 1st, 2021. The foundation's advisory board will select the next award winner in spring 2021.

The prize, which is endowed with 50,000 €, is given preferentially to young scientists who work in the research fields of the eponym. These include inorganic and organic chemistry, catalysis and polymer chemistry.

Congratulations!
