

Einladung zum *LIKAT Seminar*

18. Juli 2019

„Bioinspired Catalysis“

- 09:00 Uhr** **Prof. Paul Kamer**
"Development of artificial enzymes for carbonylation and cross-coupling reactions"
- 09:45 Uhr** **Dr. Jan von Langermann**
"Compartmentalization in biocatalysis for the synthesis of enantiopure compounds"
- 10:15 Uhr** **Kaffee**
- 10:45 Uhr** **Maximilian Marx**
"Toward CO₂ Reductive Coupling – From Artificial Photosynthesis to Bio-Inspired Oxidation"
- 11:15 Uhr** **Dr. Jola Pospech**
"Bioinspired oxygenations and photomediated hydroamination reactions"
- 11:45 Uhr** **Diskussionsrunde**
- 12:00 Uhr** **Ende**

Leibniz
