

Invitation for the *Workshop*

„Catalysis & Energy“

Thursday, November 07, 2019

10:00 Uhr	WELCOME (<i>Prof. Dr. Matthias Beller</i>)
10:15 Uhr	High-pressure gas generation by formic acid dehydrogenation (<i>Hajime Kawanami</i>)
11:30 Uhr	COFFEE BREAK
11:45 Uhr	Metal nanoparticle-catalyzed liquid-phase dehydrogenation of chemical hydrides (<i>Qiang Xu</i>)
13:00 Uhr	LUNCH
14:15 Uhr	Development of complex catalysts for CO ₂ hydrogenation to formate/formic acid and methanol (<i>Yuichiro Himeda</i>)
15:30 Uhr	COFFEE BREAK
15:45 Uhr - 16:45 Uhr	Discussions – Catalysis for Energy Technology: Opportunities & Challenge for Catalysis in Energy Technologies
18:30 Uhr	DINNER „OLD WESTERN“
