

Invitation for the Mini-Symposium

„Hydrogen Research: Cooperation possibilities between
Hydrogen Energy Research Center and LIKAT“

Wednesday, November 29, 2023

- 05:00 p.m. WELCOME (Prof. Matthias Beller; LIKAT)
- 05:05 p.m. *"Hydrogen Research at LIKAT"*
Matthias Beller, LIKAT
- 05:20 p.m. *"Research Activities of the Department Electrochemistry & Catalysis"*
Robert Francke, LIKAT
- 05:35 p.m. *"Catalysis for Energy group at LIKAT "*
Henrik Junge, LIKAT
- 05:50 p.m. *"Hydrogen Energy Research Center"*
Eugene Holubnyak, University of Wyoming, USA
- 06:05 p.m. *"Integration of Produced Water Thermal Desalination and Steam Methane Reforming for Efficient Hydrogen Production "*
Charles Nye, University of Wyoming, USA
- 06:20 p.m. *"The New Vocabulary of Reliability: Methodologies and Metrics"*
Kara Fornstrom, University of Wyoming, USA
- 06:35 p.m. *"Economic analysis of building new pipelines vs converting existing natural gas pipelines into gaseous hydrogen transportation"*
Charlie Zhang, University of Wyoming, USA
- 06:50 p.m. Discussions
- 07:20 p.m. CONCLUSION AND CLOSING

Practical Information

Date: Wednesday, November 29, 2023

Location: Online

Language: English
