

Invitation for the *Webinar*

„1st Virtual Workshop on Single Atom Catalysis“

Thursday, 31st August 2023

- 13:00 WELCOME
- 13:00 *"Title to be announced "*
Tao Zhang, Dalian Institute of Chemical Physics (DICP), China
- 14:00 *"Single Atom Catalysis for Heterocycle Synthesis and C-X Functionalization "*
Gianvito Vilé, Politecnico di Milano, Italy
- 15:00 *"Nature of Coordination Environment in Single Atom Catalysts and related Systems"*
Christophe Copéret, ETH Zurich, Switzerland
- 16:00 *"Discovering single site and single atom catalysts with high-throughput computational screening"*
Heather Kulik, MIT, USA
- 17.00 CONCLUSION AND CLOSING

Practical Information

Date: Thursday, 31st August 2023

Event starts: 13:00 CET

Location: Online

Language: English

Price: Free of charge

More information: <https://www.uantwerpen.be/en/research-groups/orsy/prof--maes-group/sacs-symposium>

Registration

Registration is mandatory! [Register here to receive a link for the Zoom webinar](#)
